**Rules and Regulations Supplement**

1. **Conditions of Sale:** Easement holders for burial lots acquire simply the right and privilege of burial of the dead, subject to conditions, rules, and regulations now in force or which may be enacted hereafter at any time, at management's discretion.
2. Every operation connected with the cemetery shall be performed by the designated caretaker / sexton or one delegated by him. These operations include but are not limited to the opening and closing of a grave, the laying of the foundation or base of a monument, the setting of markers, memorials, or corner posts, seeding, fertilization, weed control, weed trimming, mowing, etc.
3. Use of vault in winter: In the event an interment is in a certain location, or extreme conditions curtail winter operations, interments may be stored in our vault until the Saturday before Memorial Day Weekend. The pastor and/or Sexton will determine the opening of the graves. The cemetery Sexton will set the date and time of burials in the spring.
4. All cremated remains shall be buried in a proper urn vault, supplied by the cemetery. Two (2) cremations may be placed in each single grave (provided no full entombments are present).
5. Additional burials of cremated remains (up to four (4) per grave) which exceed two (2) in a single grave, may be allowed at the sole discretion of Management, but shall incur an additional right of burial charge to be set by management.
6. Funeral Homes, or Loved Ones arranging interment of cremains, must provide the dimensions of the urn to be buried at least 72 hours BEFORE arrival at cemetery, to ensure proper vault and opening are provided.
7. Management is not responsible for any mistake occurring from the want of proper instructions as to the grave location where interment is made. Management reserves the right to make an equitable charge whenever additional labor costs result from such mistakes.

**Rules and Regulations Supplement**

8. No interment shall be permitted in any lot until satisfactory financial arrangements have been made for the entire lot.
9. Any service that is not accompanied by a funeral home shall be subject to a no funeral home fee to be set by management.
10. Management has the right to set prices and requirements for all interments and any additional services offered in conjunction therewith.
11. The prices required for all services will be calculated on the day of the service (unless prearranged with management beforehand) in accordance with the most recent General Price List that is posted on our website. <http://eternalrestlaconia.com>
12. Winter operations are not guaranteed. From December 1<sup>st</sup> to April 1<sup>st</sup> or anytime there is snow cover or frozen ground, cemetery management may curtail any or all operations at its sole discretion.
13. Winter operations are, as a rule, not available at St. Lambert Cemetery
14. The cemetery shall take reasonable precaution to protect the lot owners within the cemetery from loss or damage, but it disclaims all responsibility for loss or damage from causes beyond its reasonable control, and especially damages caused by elements, acts of God, theft or vandalism.
15. Vehicular traffic is limited to paved roadways ONLY. Driving or parking on the grass is strictly prohibited.
16. Sledding, Biking, Roller Skating, Skateboarding, and any other recreational activity taking place in the cemetery is prohibited.
17. Walking on grass areas, especially in the winter months, is done at a person's own risk. The Cemetery shall not be held liable for injuries resulting from such activity.
